

Hazing Prevention: It's Everyone's Responsibility™

This course teaches learners how to recognize, prevent, and report hazing. We offer a range of modules to meet the needs of the following groups:

Hazing Prevention 101™ – College Edition

- Fraternity & Sorority Edition
- Athletics Edition
- Creative and Performing Arts Edition
- HAZE: The Risks of Alcohol & Hazing™

Hazing Prevention 101™ – High School

HPO On Demand™ Series – Professional Development

NEW! Hazing Prevention Advocate Certification

Introducing our newest program, created in conjunction with HazingPrevention.Org. Learners create or improve their hazing prevention plans, connect with cohorts, and receive professional certification.

Students prefer our award-winning **Hazing Prevention 101™** eLearning program.

More than **800,000** students have taken our hazing prevention courses. The results speak for themselves.

After taking Hazing Prevention 101:

97%

of students agreed that hazing is **unacceptable under any circumstances.**

93%

of students said they would **recognize hazing and know how to report it.**

91%

of students feel **more empowered to prevent hazing.**
