Students prefer our award-winning
Hazing Prevention 101™
eLearning program.

More than **1 million** students
have taken our hazing prevention
courses. The results speak
for themselves.

After taking Hazing Prevention 101:

97%

of students agreed that
hazing is **unacceptable**
under any circumstances.

93%

of students said they would
recognize hazing and know
how to report it.

91%

of students feel **more**
empowered to prevent
hazing.
